

Declaration of Consent / Climbing for Minors

I authorize my child to participate in climbing at the Climbing Park „Kletterpark Schmellbachtal“. I have read and understood the following user rules.

Location:.....

Date:.....

First name, last name of the child	Date of birth of the child	Signature (of the parents / of the legal guardian)

1. Requirement for participation

Children under 13 years old must be accompanied by a suitable person (aged 14 or older) when climbing. Supervision ratio: Children aged 6-8-> 1-2 children per guardian | Children aged 9-12-> up to 3 children per guardian. For groups of 6 or more children requiring a guardian, you can book a trainer (availability must be requested in advance). The trainer can accompany a maximum of 10 children. Children and adolescents under 18 years old require a consent form signed by a legal guardian or authorized representative to climb. Climbing at the Schmellbachtal Climbing Park is recommended for a minimum age of 6 years and a 1.60 meters grip height (approx.. 1,20m body height) is required.

Usage is not possible for the following individuals: Participants who are intoxicated or under the influence of drugs. Epileptics. Individuals who have recently undergone surgery within 10 weeks of the operation. People with heart conditions, pregnant women from the 4th month onwards, participants with a body weight over 120 kg. Usage is possible for Individuals with disc problems, only with medical clearance. For asthma, diabetes, allergies to insect stings, and allergic asthma, participation is only possible if appropriate medications are carried. Participation with high blood pressure is only possible if medications are taken regularly. Conditional participation, for example, with musculoskeletal disorders such as arthritis, physical disabilities, and mental illnesses including anxiety disorders, is at the discretion of the participant.

For the best continuation of the forest and its resident animals, we kindly ask you to stay on designated paths. Dogs must be kept on a leash, and dog waste must be removed.

2. Safety

Each participant is obliged to attend the safety briefing before starting climbing. Participants must follow the instructions of the trainers. Safety equipment must be used as instructed by the trainers. Trainers are available to answer any questions. When using the climbing park, it must be ensured that only one person is allowed on the practice units between the trees at a time. Up to a maximum of 3 people are allowed on the platforms at once. Long hair must be tied back. Closed-toe shoes must be worn (no sandals, no toe shoes) to protect the toes. Climbing exercises may only be carried out with complete equipment (harness and SmartBelay safety system) properly worn. This equipment must be checked for correct adjustment by a trainer before climbing. The equipment is not transferable and must not be removed during climbing. If it becomes necessary to open the harnesses, the correct fit must be rechecked by a trainer before continuing climbing. The terms and conditions must be read."
